**Gull Santa brings early Christmas fuel savings!**

The silly season has arrived once again and Gull Santa is set to arrive on his festive sleigh to offer a massive 20 cents off per litre across all fuel grades, at all Gull sites, from 7:00am Wednesday 19<sup>th</sup> December 2018 to 12:00pm (midday) Thursday 20<sup>th</sup> December 2018.

“It’s been a rollercoaster ride this year with oil prices reaching record highs. They’re easing off just in time for Christmas, so we’re passing on the savings. As Kiwi motorists look forward to a much-awaited Christmas break, Gull would love for their customers to have a little extra to spend on themselves, their family and friends,” says Gull spokesperson, Rohan Mehta.

“We do not burden our customers with carrying a plastic loyalty card or having a minimum fill or spend. We simply enjoy providing a discount without judging your dollar spend. From 7:00am today, we will drop our price-board and pump prices for everyone to enjoy the savings.

“Let’s all raise a toast to these lower fuel prices and enjoy the summer holiday. Here’s wishing everyone a very safe and a Merry Christmas, from the entire Gull family.”
