

## GULL OFFERS BIG POST COVID BLUES DISCOUNT

'Hooray for Wednesday' saw Auckland move down to Level 3 after a record five weeks of Level 4 lockdown. Gull New Zealand wants to thank everyone, including our essential workers, for keeping the City of Sails safe during challenging and uncertain times, and so is offering Kiwi motorists a 12 cent per litre Discount Day.

The September post-COVID blues Discount Day will apply to all Gull's fuel types across the company's entire network, from 7:00am on Thursday 23 September 2021 until 12:00pm midday on Friday 24 September 2021.

Gull's Pricing Analyst, Crystal Feist, says Gull would like to thank everyone, from our essential workers to our loyal customer base, who have supported us during a prolonged lockdown and to remind motorists to respect COVID-19 restrictions in their respective areas. Please be kind, wear a mask, and socially distance while fueling up.

"Gull's Discount Days are our way of giving back to NZ motorists and the loyal customers who have continued to support us. As always, there is no minimum spend and no maximum fill restrictions. Our price boards and pump prices are simply dropped from 7:00am today, for purchase of as much or as little fuel as you like."

At the majority of Gull outlets where Gull controls retail prices across the country, **average prices** will be as follows during the above-mentioned time frame:

Regular (91)	\$2.147
Force 10 (98)	\$2.347
Diesel	\$1.377

Lowest priced sites outside of Auckland region as below:

Atiamuri and Maheno	Offering the lowest regular (91) price	\$1.967 per litre
Te Kuiti and Maheno	Offering the lowest diesel price	\$1.267 per litre

All pricing across the Gull network is GST inclusive.

**Average prices quoted above are across sites where Gull controls the retail fuel price. Discounts are applied directly to the price board and pump price from the day before.**
