

## Gull offers 10 cent Discount for ANZAC Weekend Savings

ANZAC weekend is an extra special long weekend for most Kiwis and Gull is celebrating by giving Kiwi motorists an opportunity to fill up in advance and save some money with a 10 cent per litre discount day.

The ANZAC Discount Day will apply to all Gull's fuel types across the company's entire network from 7:00am on 22 April 2021 until 12:00om midday on Friday 23 April 2021.

Gull's Pricing Analyst, Crystal Feist, says Gull jumps at any chance to give back to Kiwi motorists so we are pleased to be able to offer our loyal customers a discount ahead of the long ANZAC weekend.

"Gull's Discount Days are our way of always giving back to the communities that support us. There is no minimum spend and no maximum fill restrictions. Our price boards and pump prices are simply dropped from 7:00am today for as much or as little fuel as you like so you can get out and enjoy time with your family."

At the majority of Gull outlets where Gull controls retail prices across the country, **average prices** will be as follows during the above-mentioned time frame:

Regular (91)	\$1.997
Force 10 (98)	\$2.197
Diesel	\$1.227

Lowest priced North Island sites outside of Auckland region as below:

Atiamuri	Offering the lowest North Island regular (91) price	\$1.877 per litre
Te Kuiti	Offering the lowest North Island diesel price	\$1.117 per litre
Gore	Offering the lowest South Island regular (91) price	\$1.877 per litre

All pricing across the Gull network is GST inclusive.

***\*\*Please note average prices quoted above are across sites where Gull controls the retail fuel price. Discounts are applied directly to the price board and pump price from the day before.***
