

GULL OFFERS RETURN FROM HOLIDAY DISCOUNT DESPITE RISING FUEL PRICES

2021 has seen fuel prices rise already as the cost of oil (per barrel) has increased over January. To welcome many people back from holiday, Gull is offering Kiwi motorists a welcome 10 cent per litre Discount Day, which will apply to all of Gull's fuel types across the company's entire network, from 7:00am on Thursday 28 January 2021 until 12:00pm midday on Friday 29 January 2021.

Gull's Pricing Analyst Crystal Feist says Gull wants to give back to Kiwis who have supported the Gull team throughout the past year of uncertainty.

"Gull's Discount Days are for everyone – no minimum spend and no maximum fill restrictions. Our price boards and pump prices are simply dropped from 7:00am today to purchase as little or as much fuel as you require, so you can get out and enjoy time with your family."

At the majority of Gull outlets where Gull controls retail prices across the country, including the newly opened Gull South Hagley in Christchurch, **average prices** will be as follows during the above-mentioned time frame:

Regular (91)	\$1.807 per litre
Force 10 (98)	\$2.017 per litre
Diesel	\$1.067 per litre

Lowest priced North Island sites outside of Auckland region as below:

Atiamuri	Offering the lowest regular (91) price	\$1.687 per litre
Te Kuiti	Offering the lowest diesel price	\$0.937 per litre

All pricing across the Gull network is GST inclusive.

*****Please note average prices quoted above are across sites where Gull controls the retail fuel price. Discounts are applied directly to the price board and pump price from the day before.***
